

Policy / Procedures for the Muscogee Lodge “2017 Dixie Service Lodge” flap

- 1) Dues paid Muscogee Lodge members may purchase one flap for \$3 for each day of service at an approved Dixie workday or camp service project.
 - a) A “day” must consist of at least 4 hours of work during a calendar day.
 - b) Only one flap purchase right may be earned per day.
 - c) Projects must be conducted at Camp Barstow or at another location if the product of the work will be used at Camp Barstow. (i.e. If signs for Camp Barstow or for Dixie were produced at another location and later brought to camp.)
 - d) Any projects must be approved in advance by the Dixie Vice Chief or the Dixie Adviser.
 - e) The Dixie Vice Chief, Dixie Adviser, or a designee of either will be appointed for any project to track who is eligible from that project to purchase a flap.
 - f) No flap purchases may be earned prior to the 2016 Muscogee Fall Fellowship.
 - g) Service performed by candidates during the Ordeal does not qualify for this flap.
- 2) At the discretion of the Dixie Vice Chief and Dixie Adviser, Arrowmen and other Scouters who are not members of Muscogee Lodge may be allowed to purchase flaps under the same guidelines as members.
- 3) In recognition of significant service to Dixie, all youth and adult members of the SR5 Council of Chiefs present at Dixie 2017, and all SR5 Dixie Coordinators and their Advisers, will be allowed to purchase up to 2 flaps at a cost of \$3 each.
- 4) Service Lodge staff at Dixie, for the service given at Dixie, will be allowed to purchase up to 2 flaps at a cost of \$3 each. These flaps will be available on Sunday following take-down and clean-up from Dixie.
- 5) Muscogee Lodge members may purchase additional lodge flaps at \$25 each without regard to any service requirement. The funds raised by these \$25 sales will be specifically used for Camp Barstow improvements.
- 6) Fifty flaps will be withheld for the lodge auction box.
- 7) If, after Dixie 2017, there are still flaps available, they will continue to be offered in the same manner and earned by service given in support of Camp Barstow.
- 8) No additional flaps will be ordered after April 2017.
